

Jason M. Highsmith, M.D., FACS, FAANS
7301 Rivers Ave. – Suite 242
Charleston, SC 29406

p 843.510.0727
f 843.474.0712

CURRENT POSITION:

Carolina Neurosurgery and Orthopedics

EDUCATION:

American Board of Neurological Surgery, Board Certified	Current
Fellow of the American College of Surgeons	Current
Spine Fellow, Dept. of Neurosurgery, Emory University, Atlanta, GA	2006-2007
Chief Resident, Dept. of Neurosurgery, MCV/VCU, Richmond, VA	2004-2005
Residency, Dept. of Neurosurgery, MCV/VCU, Richmond, VA	2001-2006
Internship, Dept. of Surgery, MCV/VCU, Richmond, VA	2000-2001
Medical School, Medical College of Virginia/VCU, Richmond, VA	M.D., 2000
Graduate School, Medical College of Virginia/VCU, Richmond, VA	M.S., 1996
Cornell University, Honors Program, Ithaca, New York	B.S., 1995

HONORS AND AWARDS:

Product Advisory Board, multiple corporations	2006-Current
Editorial Board Member, SpineUniverse.com	2008-2023
Patient's Choice Award	2008-Current
Virginia Spine Society, Best Research Award	2006
MCV/VCU Resident Research Symposium, Runner-up Top Award	2006
Lind-Reynolds Grant Recipient	2004-2006
Commonwealth Award, Medical College of Virginia/VCU	1999, 1998
Dean's Award, Medical College of Virginia/VCU	1997
Honors Program, Cornell University	1993-95

TEACHING EXPERIENCE:

Clinical Faculty, Peer Instructor for several private corporations	2006-Current
Clinical Instructor, Department of Neurosurgery, Emory University	2006-2007
Adjunct Professor, Department of Biology, Virginia Commonwealth Univ.	1996-1998

HOSPITAL AFFILIATIONS:

Roper St. Francis Hospital, Charleston, SC	2007-Current
Roper Downtown Hospital, Charleston, SC	2007-Current
Trident Medical Center, Charleston, SC	2007-Current
Summerville Medical Center, Summerville, SC	2007-Current
Roper Mt. Pleasant Hospital, Mt. Pleasant, SC	2011-Current

CLINICAL INVESTIGATIONS:

Principle Investigator for 10 Year follow-up of Medtronic PRESTIGE-LP® Cervical Disc, 2014-2018.

Head Investigator for Covidien DuraSeal™ Clinical Study, 2010-2018.

Principle Investigator for Globus Acadia™ Facet Replacement System, 2008-2018.

Principle Investigator for Globus Medical Secure-C™ Cervical Disc, 2007-2017.

Principle Investigator for Medtronic PRESTIGE-ST® Cervical Disc, 2006-2007.

TRAINING/CERTIFICATION:

American Board of Neurological Surgery Oral Exam. July 2011.

AO Spine: Advanced Techniques in the Cervical and Lumbar Spine. Sun Valley, Idaho. March 2007

Spinal Microsurgery: Anterior Approaches to the Thoracic and Lumbar Spine. Munich, Germany. September 2006.

Basic Spine Coding for Physicians. Medtronic WebEx Course. November 2005.

American Board of Neurological Surgery Written Exam. March 2005.

Spinal Cord Injury Research Methods, workshop with Dr. Wise Young. W. M. Keck Center for Collaborative Neuroscience, Rutgers University, February-March 2005

MAJOR INVITED PRESENTATIONS:

“Spinal cord stimulation – The Surgeon’s Perspective.” Boston Scientific Sales Training. Valencia, California, 2008-Current.

“Spine 101 – Introduction to Pathology.” Globus Medical Sales Training. Philadelphia, Pennsylvania, 2008-Current.

“Spinal Cord Stimulation in the Neurosurgeon’s Practice.” South Carolina Association of Neurological Surgeons. Charleston, SC October 2013.

“Spinal Cord Stimulation in the Treatment of Chronic Pain.” South Carolina Spine Society. Charleston, SC April 2013.

“Lateral Lumbar Interbody Fusion – Tips and Pearls.” Skin-To-Skin Course. Las Vegas, NV, November 2012, 2013.

“Alphabet Soup – An Update on the Latest Fusion Techniques.” The Pain Society of the Carolinas Annual Meeting. Charleston, SC, November 2012.

“Endoscopic Spine Techniques – Interlaminar Approach.” Karl Storz Spine TIP Conference. Dallas, TX, October 2012.

“Patient Safety – We are all patients.” Keynote Speaker. Health Care Industry Representative Credentialing Summit. Alexandria, Virginia, July 2012.

“Lateral Fusion – Introduction to Techniques and Indications.” Globus Medical. Miami, FL, 2011.

“Cervical Laminoplasty vs Instrumented Posterior Cervical Fusion for Cervical Spondylitic Myelopathy.” Oral Presentation. American Association of Neurological Surgeons and Congress of Neurological Surgeons Joint Spine Section Meeting. Orlando, Florida, 2010.

“Treatment of Cervical Stenotic Myelopathy: A cost and outcome comparison of laminoplasty vs. laminectomy and lateral mass fusion.” Oral Presentation. American Association of Neurological Surgeons and Congress of Neurological Surgeons Joint Spine Section Meeting. Orlando, Florida, 2008.

“Introduction to Spine Trauma.” Globus Medical Sales Training. Philadelphia, Pennsylvania, Quarterly 2007-Current.

“Introduction to Spine Tumors.” Globus Medical Sales Training. Philadelphia, Pennsylvania, Quarterly 2007-Current.

“Dynamic Stabilization – Reducing Adjacent Segment Disease.” Georgia Neurosurgical Society. Sea Island, Georgia, 2007.

“Dynamic Stabilization” Department of Neurosurgery Grand Rounds. Emory University, Atlanta, Georgia, 2006.

“The Business of Medicine” Department of Neurosurgery Grand Rounds. Emory University, Atlanta, Georgia, 2006.

“NASCIS – Still a Debate” Department of Neurosurgery Evidence Based Medicine Series. Medical College of Virginia/Virginia Commonwealth University, Richmond, Virginia, 2005

“A Decade of Gliadel – Complications and Implications” Neurosurgical Society of the Virginias, The Greenbrier, West Virginia, 2005.

“Hydrocephalus in the Pediatric Population” Friends of Pediatrics, First Annual Conference, Belize City, Belize, 2004.

“Spina Bifida – An Overview” Friends of Pediatrics, First Annual Conference, Belize City, Belize, 2004.
